GAME/ACTIVITIES

You could show actions and make them guess the object you are using
e.g. drinking from a *cup*/cutting with a *knife*/pouring from a *jug* into a *glass*.

Later on, simple sentences could be formed:

I sleep on the bed.

I sit on the sofa/chair.

I keep my clothes in the cupboard.
We keep clothes/books/food in the cupboard.
There are ___ chairs/ beds in my house.

How many sentences can you form using these patterns?

1. I _____ my/the _____ with a _____.

I clean my teeth with a toothbrush.
I sweep the floor with a broom.
cut/vegetables/knife
eat/food/spoon

2. Keep the _____ in the _____.

Keep the bottle in the fridge.
Keep the book on the shelf.
Keep the bucket in the bathroom.
Keep the plate in the kitchen.

Give 1 or 2 examples and let the children think of more sentences.

You could play a game:
WHERE IS _____?

For this you could draw simple pictures on the board or ask the children to imagine where the things could be.

Let one child ask the question and another one give the answer.

Where is my shirt?
In the cupboard.
Where is the glass?
On the table.
Where is the water?
In the glass.
Where is the knife?
On the plate.
Where is the pillow?
On the bed.
Where is the clock?
On the wall.
This will be a good way to practice **in/on/under**.

(For rooms)
Where is the bucket?
In the bathroom.
Where is the bed?
In the bedroom.

Where is the sofa?
In the living room.
Where is the kettle?
In the kitchen.
