If there are chairs, they could be arranged like the seats in a bus. One child could be the driver and the other children could be the passengers. You could also have a conductor handing out tickets.

## TALK TIME

The younger children can start with:  
drive a car/bus/train  
ride a bicycle/scooter/motorbike

Later they can also practise:  
row/sail a boat  
fly a plane/helicopter

You could stress on the word in bold and say:

I **drive** a cycle. Right or wrong?

Wrong!

I **ride** a cycle. Right or wrong?

Right!

I **row** a boat. Right or wrong?

Right!

The following could be taken up with the older children or even the younger ones if you feel they are

ready.

Where do planes fly?

In the sky.

Where do boats sail/float?

On the sea.

Where do cars move?

On the road.

Planes fly in the sky.

Boats sail/float on the sea.

Cars move on the road.

Trains move on the track.

Help the children frame sentences about vehicles:

I have a bicycle.

I like to ride my bicycle.

I/Some children go to school by bus.

I can ride a bicycle.

I can't drive a car.

I like to travel by train.

A pilot flies an aeroplane.

An engine driver drives a train.

### FOR OLDER CHILDREN

The children can pretend to be the vehicles as shown in the video.

Transportation Song

Premiered on 17-Oct-2019

Happy Sam English

On the road or on the track,  
going forward, going back!  
On the sea or in the sky,  
down below or way up high!

I take the bus  
I take the train  
I take a taxi  
I take a minibus

On the road or on the track,  
going forward, going back!  
On the sea or in the sky,  
down below or way up high!

I ride a motorbike  
I drive a car  
I ride a bicycle  
I drive a van

On the road or on the track,  
going forward, going back!  
On the sea or in the sky,  
down below or way up high!

I go by aeroplane  
I go by ferry  
I go by submarine  
I go by rocket!

I walk.  
I walk  
yup.  
I walk!
