There Is - There Are | Grammar Grade 1 | Periwinkle

There is one cake/clown.

There are ten balloons/seven children.

**Let the children try using *There is/There are* with knife/party hats/candles.**

You could say ***There is a ball.***

And then ***There's a ball*** so that children become familiar with both.

You could clap twice while saying ***There is...*** and clap once while saying ***There's...***
