

FRUITS (1)

VIDEO & PPT

Fruits (1)

(GUIDANCE NEEDED)

The following fruits are taken up:
apple/orange/banana/grapes

Let the children repeat apple/orange/banana/grapes (slides 2 to 5)

You could use the PPT for other questions (as asked in the video):

e.g.

What number is banana?

Tell me the number for apple.

Let the children try doing this.

Show them the next video only when they are sure of the names of these fruits.

VIDEO & PPT

Fruits (2)

(GUIDANCE NEEDED)

The following fruits are taken up:
pear/strawberry/watermelon/mango

The following are revised: apple/orange/banana/grapes (Set 1).

Let the children repeat pear/strawberry/watermelon/mango
(slides 7 to 10)

You could use the PPT for other questions:

e.g.

What number is pear?

Tell me the number for mango.

ACTIVITY

You can draw /cut out pictures of fruit and make a set of flashcards.

The children can pick up the cards and name the fruit.

You could use the PPT otherwise.

They can say *red apple/yellow banana/green pear etc.*

Then make them say:

The apple is red.

The banana is yellow etc.
