Weather

(GUIDANCE NEEDED)

Let the children say the sentences as they look at the slides:

(Wrap arms around themselves and shiver) It is a cold day. I'm feeling cold.

(Wipe sweat and fan themselves) It is a hot day. I'm feeling hot.

(Move fingers to show raindrops falling) It is a rainy day. I'm feeling happy/sad.

Once the children know the words cloudy /sunny/hot/cold/rainy they will be able to talk about each day's weather. Ask the children every day: *How's the weather?* or let a child ask his/her classmates the question.
